

Autumn Term Clubs 2024-2025

Dear Parents,

Here at the Grove, we are able to offer a number of active, calm and musical clubs for the children in the Autumn Term. Please see the timetable below which will give you detail about the club, start and finish times and dates. We have a range of school run clubs which cost £3 per session and external clubs which cost £5-£6 per session.

If the school receives **Free School Meals funding** for your child, please contact Mrs Cooper at the school office by **Thursday 19th September** to discuss what we can offer for your child in a club **led by a member of school staff**.

After this date we cannot guarantee a space for your child.

For school run clubs please
sign up via:

www.scopay.com/grove-pri

**If a club falls on parents evening, please try to book your appointment after the club has finished. Children will be expected to attend.*
